Nebraska
Academy of General Dentistry

The Finest Continuing Education From the Top Leaders in **Dentistry.**

Dear Friend of the NAGD,

The Nebraska Academy of General Dentistry (NAGD) is pleased to announce that registration for exhibits has opened! We would like to invite you to participate in the success of the NAGD Annual Meeting to be held:

Friday, June 2, 2017
Cornhusker Marriott Hotel
333 S. 13th Street, Lincoln, Nebraska

The meetings of the NAGD attracts the finest dentists, hygienists, assistants and office staff in Nebraska, dedicated to quality continuing education and cutting edge products and dentistry. Our ability to provide the general dentists of Nebraska and surrounding states with high quality continuing education programs and an enjoyable meeting depends on the interest and support of commercial enterprises such as you. We are inviting you to participate in our Annual Meeting because we believe in your product and services.

This June, we are very excited to have Dr. Maurice Salama as our featured lecturer. He will be presenting a lecture course entitled "New Paradigms in Soft & Hard Tissue Augmentation: Evolving Tools, Techniques and Materials". We are very excited to have him with us for not only our speaker on Friday but to provide the CE for our Mastertrack weekend (hands on portion). **Please register to exhibit early as we are limited on the number of exhibits. Exhibit space will be assigned as they are received!!**

As one of Nebraska's finest continuing education providers, we are looking for only the finest sponsors. I hope you are able to commit to attending. The NAGD looks forward to seeing you and supporting you. Please contact our NAGD Office at 402.438.2321 if you have any questions.

Sincerely,

Tom St. Germain, D.D.S.

Continuing Dental Education Meeting Prospectus

Friday, June 2, 2017

The Nebraska Academy of General Dentistry will hold its Annual Meeting on Friday, June 2, 2017. We are very excited to bring in world renowned speaker, Dr. Maurice Salama. The title of his presentation is “New Paradigms in Soft & Hard Tissue Augmentation: Evolving Tools, Techniques and Materials”.

The Nebraska Academy of General Dentistry is devoted to advancing excellence in general dentistry through excellent continuing education programs. Sponsor participation in the meeting is limited to those vendors whose products and services complement this extraordinary educational program and NAGD’s dedication to excellence. Approximately 50-100 dentists and staff are expected to attend. ***Our hands on weekend is filling up fast!!***

Where: The meeting will be held at the Cornhusker Marriott Hotel located at 333 S. 13th Street in Lincoln, Nebraska. The exhibits will be located in a portion of the Grand Ballroom (same as last year).

When: Friday, June 2, 2017. The lecture course is 9:00 am to 4:30 pm

Cost: \$295 for one exhibit space. Includes 8 ft banquet table (skirted and draped), electrical service w/ power strip, 2 chairs, complimentary coffee, breaks and lunch for up to 2 (two) participants per company. Each additional participant will be \$35/per person.

Booth Selection: Please review the exhibitor layout provided in this email. **Exhibit spaces will be assigned in the order in which they are received.** Please indicate your booth preferences on the registration form. We have arranged the exhibits to promote the most traffic as possible in the exhibit area. Breaks AND lunch will be held in the same room as the exhibitors. The participants will also have to walk through the exhibit area to get to the lecture. What a great way to visit with all participants!!!

Exhibitor Set-Up: Exhibitors set up their displays/booths on Friday morning (June 2nd) from 7:30 to 9:00 a.m. **All displays/booths need to be in place by 9:00 a.m. on Friday, June 2, 2017.** The exhibits will close after the afternoon break (approximately 4:00 p.m.) We will hold the prize drawings immediately following the last break. Please note: The Nebraska AGD assumes no responsibility for items in the ballroom/exhibit area/hotel.

Electricity/Internet/Phone Needs: Included in your booth is standard electrical service with power strip. The Cornhusker offers additional electricity, internet connection and phone if needed. These items will need to be ordered and paid for directly through the Cornhusker Hotel. Please contact Julie if you need anything other than standard electricity.

This year we also have other sponsorship opportunities:

Prize Drawings for all participants

We will supply each participant with a “Bingo” card. In order to be eligible for the drawing, the participants must visit every booth. Their name will go into a drawing that will be held at the end of the lecture. If you would like to donate a prize for this drawing, please mark the box on the registration form.

Goody Bag donation

Once again, we’d like to give each participant a “goody bag” as they check in at registration. We are looking for some type of bag AND we’d like to give you company an opportunity to add an item with your company name on them. Please keep in mind that we could potentially need 100 or more items. Any items not used, will be returned to your company. Please have these items to Julie Berger no later than May 1st. If you would like to donate an item, please mark the box on the registration form.

Speaker:

Dr. Maurice A. Salama completed his undergraduate studies at the State University of New York at Binghamton in 1985, where he received his BS in Biology. Dr. Salama received his DMD from the University of Pennsylvania School of Dental Medicine, where he later received his dual specialty certification in Orthodontics and Periodontics, as well as his implant training at the Branemark Center at Penn.

Dr. Salama is currently on the faculties of the University of Pennsylvania and the Medical College of Georgia as Clinical Assistant Professor of Periodontics. Dr. Salama is a permanent member of the Scientific Committee of the world's leading online Dental Education Website DENTALXP.com

He is also a member of the Team Atlanta Dental Practice which is a multidisciplinary practice world renowned for their clinical research in reconstructive and esthetic dentistry.

Course Content:

To be a viable treatment choice in the partially edentulous case, the implant-supported restoration must functionally and *cosmetically equal or surpass* that of conventional crown and bridge. This requires development of the edentulous ridge or potential implant restorative site to mimic that of a natural tooth. The essence in the creation of this illusion of reality is the **soft tissue restorative frame**.

Bone & Sinus Augmentation

- Extraction Site Management
- Bone Particulate Grafts and GBR
- Utilization Bioactive Modifiers PRF, PRGF, BMP-s
- Ridge Splitting or Expansion Techniques
- Autogeneous or Allograft Onlay Bone Blocks
- Sinus Augmentation Crestal and Lateral Approaches

As an exhibitor of the Nebraska Academy of General Dentistry's Annual Meeting, you also have opportunities to be a sponsor. There are different levels of participation you can choose from. We appreciate your participation and will work with you to have a positive and productive experience. As an exhibitor/sponsor of the NAGD Annual Meeting you will have the opportunity to discuss and demonstrate your product one on one to dentists interested in latest techniques and products to further their careers and build their practices.
