

This 6-hour renewal course meets the educational requirements for renewing a minimal sedation permit for the State of Nebraska. This course will teach the participant:

- Pertinent minimal sedation rules in Nebraska
- Safe patient selection with emphasis on patients that pose significant sedation risks
- Proper drug selection and include a review of pharmacologic principles for minimal sedation
- Monitoring techniques including advantages and disadvantages of each
- Proper technique including discharge of the sedation patient
- Anticipation and management of sedation emergencies

The Nebraska Board of Dentistry has approved this course on sedation.

The AGD-Nebraska is designated as an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing education programs of this program provider are accepted by the AGD for Fellowship/Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from 1/1/2018 to 12/31/2021. Provider ID# 219313

SPEAKER — DR. ERNEST LUCE

Dr. Ernie Luce completed dental school at the University of Texas Health Science Center, Dental Branch in Houston in 1985, followed by a General Practice Residency at the University of Texas Health Science Center at San Antonio in 1986. Since then, he has held an appointment in the Department of General Dentistry at the dental school in San Antonio. Over the past 20 years, his professional interests have become quite focused on the teaching of management of medically compromised patients in the dental office, and the safe delivery of minimal and moderate sedation, both enteral and parenteral.

Ernie is married to Joan, also a general dentist, and they have 2 children, in high school.
